I am of humble opinion that the Institutions upon it, have no right to the arrears of the quantity of Sandalwood for the previous years- The object of the grant of Sandal was for consumption of that article in the year, and if the recipients have managed to sell or dispose it in the year for which claim is now called up, there is no use of its being allowed them, as it would only end in misappropriation

The Institutions may be allowed the benefit of the allowance for this year and if the quantity of Sandal wood is not received before

To The Secretary to the Chief Commr of Mysore

Sir

I have the honor to state that the managers of the Harihareshwara Devasthan and other institutions in the Harrihur Taluk have applied for the grant of Sandalwood due for the last 4 years - It appears Sandalwood has neither been claimed nor given to the institutions in question for the last 10, or 12 years; but on the 12th march 1869 the Inam Commissioner issued a Summud recognising the right of the institutions to an allowance of 2 maunds of Sandalwood, and the manager now apply for the allowance due from the year in which the Inam Commrs Summud was given, foregoing their claim to the Wood due for previous years.

The orders conveyed in Notification No 277 dated 18th October 1871 are as noted in the Margin - As it is not supposed these are intended to have retrospective effect, I would submit the managers of the temple are entitled to be paid this year for all their back dues, I therefore solicit the orders of the Chief Commissioner whether this may not be done, as giving the late orders a retrospective effect is likely to create discontent.

Sir,

With reference to Proceedings of Government No. 762-4 dated 27th January last, sanctioning a grant of Rs. 600 a year for the Harihareswara temple at Harihar, I have the honor to forward for approval a revenue statement showing the proposed distribution of this sum. The statement was drawn up by me in consultation with the Dharmadarsees and other leading inhabitants of the place.

2. In the statement among other items provision has been made for a "Archaka" to help the Pujari in performing his duties. I need scarcely say that one is absolutely necessary

to perform such duties as bringing water, Cooking meals for Naimedya and washing the Clothes &c that are used to adorn the deity. A pay of Rs: 3/. is proposed for him. This I consider rather too small for the work to be done by him. I think however that if one of the two servants viz: the Archak and Abhishéka Purposmer are dispensed with the Savings effected may be added on to the Salary of the Parchaark. This need not be done at once. The office may be abolished on a vacancy occurring. Of the two servants, one the Abhishéka Purposmer enjoys land Inam and it is not easy to oust him. He may however be allowed to perform as he is willing to do the Archak's duties without receiving any other emoluments from Government. The dual worship in the temple by the Archak on one side and by the abhishéka man on the other has been the cause of numerous Complaints and I beg to refer to you to Proceedings of Government No. 884 Jud. 7. 11-94 dated 29th March 1895, which Contains the last orders

on the subject. The present
opportunity of revising the
Tariff is a favourable one for
settling this long standing
dispute once for all, and
should not I beg to submit
be allowed to pass away
without settling this question at
rest. The savings thus effected
may be used partly to raise
the Salary of the Parishark and
partly to meet other unforeseen
expenditure.

Sir,

Subject
1/4.06

With reference to your docket No 4453 dated 5th April 1906 calling for a report as to why the sandalwood allowance to the temples at Harihar and Komarankatti has been stopped I have the honor to state that the allowance in question was being disbursed from the Sandal Koti at Shimoga upto 1885/86 as the Harihar Sub-Taluk formed part of the Shimoga District. Owing to the territorial changes as effected in that year, this Sub Taluk passed to the jurisdiction of the Chitaldrug District and this has presumably something to do with the stoppage of the allowance from that year. The available records do not throw any clear light on this

point The present Dharmadarsies have been pressing their claim for the last 4 or 5 years and as this annual allowance of 2 maunds of Sandalwood is due to the Institutions in question under the authority of title deed No 12 dated 12th March 1869, there seems no reason to doubt the genuineness of the Claim. I beg therefore to request that early orders may be passed revising the allowance.

Sir,

I have the honor to submit, for kind perusal and obliging return, correspondence ending with yadi No. 1471 dated the 25th ultimo received from the Deputy Commissioner of this district, regarding the supply of Sandalwood

to

--eswara temple at Harihar.

It is gathered from the Shimoga Deputy Commissioner's yadi No 2277 dated the 26th February last, that, in pursuance to the title deed granted in 1869 by the then Chief Commissioner, two maunds of sandalwood was being supplied annually till 1884-5 to the temple from the Sandal Kothi at Shimoga when Harihar was within the limits of that District The supply has not yet been drawn since 1885-6 when the town came under the jurisdiction of Chitaldroog. The circumstances under which the supply ceased are not exactly known - From the enclosed correspondence which has been

been going on for the past four years,
it is gathered that no Sandal wood has
been supplied as requested by the
managing Committee of the temple.

Now that the Deputy Com-
missioner of this District has directed
me to make necessary arrangements
for the regular supply of two maunds
of wood annually to the Temple I beg
that the District Forest officer, Shimoga
may be kindly instructed to supply
this quantity to the temple annually on

This is much better than putting
money into the hands of parties for
the purchase of sandal which may
be misappropriated.

Sir,

With reference to your docket No 9751 dated 9th August 1906, enquiring from what year the sandalwood allowances payable to the temples and Chatrams at Harihar and Konaranahalli have been stopped I have the honor to state that the deputy Amildar of Harihar reports that a sum of Rs 16-4-0 has been shown in the accounts of June 1897 towards the sandalwood allowances for 1896-97 and that the accounts of the subsequent months do not shew similar entries. No one is in a position to account for the stoppage of the allowances since 1897-98

and

and there are no clear records in the matter.

Intimation has been lately received from the Comptroller that a sum of Rs 16/- has been provided for the purpose in the Budget estimate for this year and that that sum may be drawn from the Treasury.

As the service in the Institutions has been carried on without using Sandal-wood, the cash equivalent of the arrear of allowances for 1897-98 sanctioned now will be credited to the funds of the respective Institutions so that they may be made use of for repairs in future.

Vernacular Correspondance dealing with the report No. 155 dated 2.4.07 from the Deputy Amildar of Sanchar is herewith submitted.

I have the honor to be
Sir,
your most obedient Servant
